... and we are looking for tech savvy Audio / Visual volunteers. If you are interested in learning more, please call the office!

DONATE ❤️

We are excited to share that we are moving forward with our plans to equip the church so that we can livestream services from St. Andrews. The project will require approximately \$2000 for cameras and equipment. Any contributions toward this expense would be greatly appreciated. Can you help?

We are improving security and making upgrades to building access using grant money from the Ontario Government. As a result, we are compiling a list of people whose duties require key access to the Church and Parish. If you need to be on the list, please let the office know by sharing your name and access justification, so we can plan accordingly. (905.945.8894 / info@grimsbystandrews.com)
